

Steps to issue a bank certificate for the IBAN account number

- Communicate with the bank to request the issuance of a bank certificate with the applicant's IBAN account number through the bank's official channels (branch - manager - relationship - digital channels)
- The bank will issue the bank certificate to the applicant after a short period not exceeding two working days.
- The bank certificate contains proof of the applicant's IBAN account number and the name of the beneficiary registered with the bank
